

The harvest moon came in all its glory last night to shine down upon Columbia along with the rest of the world and perhaps to hasten some of this old world's romances. It is probably called the harvest moon since it comes during harvest time, and because the light of its early rising may at one time have been used in harvesting.

It differs from other moons only in the short difference in time of its rising according to R. H. Baker, professor of astronomy in the University.

"On the average," said Mr. Baker, "the moon rises each night about fifty minutes later than it did on the preceding night. The moon besides its usual motion of rising and setting, makes a path across the stars once a month, and at different stages along the path makes different angles with the horizon. The short delay of the harvest moon in rising is due to the path of the moon making the smallest angle with the horizon."

Adviser of Women Talks to Board of House Residents.  
That plenty of sleep is essential to good health and efficient work was one of the points touched upon by Miss Eva Johnson, adviser of University women, at a meeting of the board of house residents Saturday in Room 130, Academic Hall. Miss Johnson advised against too many evenings of dancing and said there should be no Sunday night dancing.

This was the first meeting of the board of house residents. The board will meet on the fourth Thursday of each month. It was decided that any house president who should miss two consecutive meetings, unexcused, would lose her office.

Miss Margaret Hawkins, president of the S. G. A., was on the program.

## In the Field of Sport

**MISSOURI WINS AN EASY GAME**  
It was a one-sided contest the three thousand spectators watched Saturday afternoon when the Tigers ran up a 41 to 0 score against Missouri Wesleyan in the first game of the season. Never at any stage of the game was Missouri's goal line in danger. During the first few minutes to play the Wesleyans resorted to a kicking game and temporarily held the Tigers in check, but for the rest of the time it was steady marches down the field and straight football that enabled the Tigers to completely outclass the visitors.

To the fourth quarter the Wesleyans shifted their attack from line plunges and end runs to the aerial route in a final effort to cross the goal line. The failure of Captain Lyle's passes was due, not so much to the Tiger backfield breaking up the plays and intercepting the ball, as to the inability of the Wesleyans to catch the ball.

The work of the Tiger eleven was ragged in spots. A number of fumbles, any one of which might prove costly in a Valley game, were marked up against the backfield. Lewis was in his usual good form. Fullbright, Humes, Williams and Knight carried the ball well and made several spectacular long runs. Packwood's discretion in handling the team Saturday was in keeping with the steady improvement he has shown during the past week at quarterback. The line exhibited a stonewall defense which the visitors were unable to penetrate. Travis and Blumer repeatedly broke through the Wesleyan defense, blocking punts and breaking up plays before they were started.

A play-by-play synopsis of each period is given below:

**FIRST QUARTER**  
Missouri kicked off to the Wesleyan 30-yard line. A line plunge and end run netted 7 yards. Farmer kicked 35 yards. Lewis replied with a 40-yard punt. Slayton returned the ball 10 yards. On an attempted end run Blumer threw Irwin for a 2-yard loss. Lyle's forward pass failed. Farmer kicked 40 yards to the Tigers 20-yard line. On an off tackle play Fullbright made 8 yards. Lewis added 5 more and first down. Humes went through tackle for 3 yards. Lewis skirted right and for 9 yards and first down. Humes sprinted 40 yards around left end. Lewis fumbled. Farmer recovered, fumbled, and recovered on the Wesleyan 20-yard line. Wesleyan punted 30 yards and Packwood returned 3. It was Missouri's ball in the center of the field.

Fullbright went through right tackle for 4 yards. Humes added 2 and then 10 more through the line. Lewis took 10 yards around right end. Fullbright made 5 through tackle. Humes gained 2 yards around right end. Lewis counted 4 through tackle. Humes gained 4 more around right end. Fullbright repeated the play for 2 yards. Lewis' line plunge for 4 yards through the ball to the Wesleyan 1-yard line. Packwood took the ball over through center. Lewis failed to kick goal.

Lyle returned 5 yards on Goppel's 50-yard kick off. Farmer punted 35 yards and Packwood returned 3, bringing ball to Missouri's 35-yard line. Fullbright took 4 yards around right end. Humes

ran through the line for 30 yards. Tigers received 5-yard penalty for off side. Fullbright made a yard through the line. Humes and Lewis each counted a yard. Lewis attempted a field goal from the 35-yard line and failed. Wesleyan's ball. Lyle's wide end run netted 1 yard. Quarter ended. Score: Missouri, 6; Missouri Wesleyan, 0.

**SECOND QUARTER**  
McCoey went through center for 9 yards. Farmer failed to gain through line. Slayton added 2 yards. Lyle's pass over left end was incomplete. Wesleyan kicked 40 yards outside. Lewis returned with a 40-yard punt. Lyle attempted a pass, but was caught back 3 yards when Travis broke through. McCoey punted 31 yards outside. Lewis went around end for 8 yards and repeated with 1 yard through tackle. Fullbright failed to gain around end. Humes added 3 yards through tackle. Lewis passed 20 yards to Ruth. The ball was on the Wesleyan 10-yard line. Fullbright took 9 yards through the line. Lewis carried the ball over and kicked goal.

Missouri kicked off to the Wesleyan 30-yard line. Farmer gained 2 yards through center. Lyle passed 10 yards to McCoey, but ball was called back and given to the Tigers. Lewis ran 35 yards for a touchdown. Lewis kicked goal.

Wesleyan kicked off 35 yards and Fullbright returned 15. Fullbright took 6 yards through right tackle. Humes fell over own interference and lost 2 yards. Fullbright takes 15 and Lewis 25 yards. Missouri penalized 15 yards for holding. Fullbright made a yard around end. Pass, Lewis to Goppel. 20 yards, failed. Lewis punted 50 yards to the Wesleyan 20-yard line. Farmer returns with punt outside on Wesleyan 43-yard line. Slavin broke through and tackled Humes for a 5 yard loss. Fullbright's pass to Lewis over center was incomplete. Lewis punted 40 yards, Wesleyan fumbled, and Travis recovered ball on Wesleyan 15-yard line. Fullbright took 4 yards around left end. Lewis added a yard through the line. Humes plunged through center for 5. Fullbright took ball over goal line but was called back. Missouri penalized 15 yards for holding. Lyle intercepted Lewis' pass and returned ball 10 yards. Farmer punted 10 yards to Packwood who returned 10. Half ended.

Score: Missouri, 20; Missouri Wesleyan, 0.

**THIRD QUARTER**  
Williams went in for Fullbright. Goppel kicked off 50 yards. Slayton returned 10. Blumer broke through and field Wesleyan back for 5 yard loss. Farmer punted 40 yards and Packwood returned it 10. Lewis made a 31-yard dash around right end. Williams worked same play for 5 yards. Packwood made 3 yards through center. Humes fumbled and Wesleyan recovered. Farmer kicked 30 yards and Packwood returned 5. Lewis advanced 5 yards through center. Williams took 5 and Lewis 4 more. Knight relieved Humes. Lewis failed to gain. Knight added 2 yards. Packwood made 3 yards. Lewis fumbled and Travis recovered after 5 yard loss. Knight off tackle 5 yards. Lewis' pass to Ruth intercepted by Irwin who returned 15 yards. Farmer punted 65 yards and Packwood returned 2. Lewis punted 55

but ball was intercepted by Travis on 50 yards line. Williams took 7 around end and Lewis 6 through tackle.

Knight ran 20 yards but fumbled. Wesleyan recovered and returned 10 yards. Forward pass failed. Second attempt catches Lyle for 5-yard loss. Hill took Goppel's pass at end. McFarland added 2 yards. Forward pass failed. Farmer punted 45 yards. Lewis' pass caught by Farmer who fumbled and Williams recovered. Wide end run netted 1 yard for Williams. Knight added one more. Lewis kicked 45 yards outside. Lyle tried two passes and failed. Wesleyan punted 5 yards to own 20-yard line. Lewis ran 19 yards. Packwood failed to take half over. Quarter ended.

Score: Missouri, 20; Wesleyan, 0.

**FOURTH QUARTER**  
Lewis carried ball across and kicked goal. Vilkas replaced Andrews. Crowe fumbled Wesleyan's kick off but recovered. Williams made broken field run for 25 yards. Lewis off tackle for 9 yards. Williams added 2 more. Williams 6-inch-line. Packwood made touchdown and Lewis kicked goal. Knight fumbled ball 10 yards. Left tackle opened a hole and Lewis went through for 20 yards. Knight added 10 yards around end. Slayton went in for Filley and Crooks for Blumer. Lewis made center plunge for 9 yards. Packwood added 8. Lewis took 7 and placed ball on Wesleyan 6-inch-line. Packwood scored. Lewis kicked goal. Simpson replaced Blumer and Kersbas, Knight.

Travis kicked off. Lyle tried wide end run but was thrown for 5 yard loss by Irwin. Forward pass failed. Simpson intercepted Lyle's pass on 25 yard line. Lewis fumbled and Lyle recovered. Two passes failed and the third one, Lyle to McFarland, netted 4 yards. Five yard penalty for off side against Missouri. Lyle passed 10 yards to McCoey. Next three passes failed. The Beta Theta Pi baseball team won a 14-inning game Saturday afternoon from the Kappa Alpha team by a score of 3 to 2 and took the inter-fraternity baseball championship. Nearly 300 persons stayed through the noon hour to see the finish of the game, which began at 10 o'clock Saturday morning and lasted for three hours and thirty-five minutes.

The pitching of J. E. Smith for the Kappa Alpha team was the feature of the game. Smith struck out twenty-one of the forty-two men who faced him. Both teams fielded unusually well.

**AMES UPSETS THE DOPE AND LOSES TO COE**  
The first surprise in Missouri Valley Conference football was recorded Saturday when Iowa State College (Ames) fell before Coe College by a 6-0 score. Ames was expected to be a prominent figure in Valley football. His defeat at the hands of Coe was a decided disappointment to its followers.

The University of Kansas in its opening struggle has little trouble in administering a 47-0 defeat to Emporia Normal. The Kansas Aggies won a hard fought struggle from Hays Normal, 14-0. Penn College was no match for Grinnell and the latter emerged a 42-0 victor. Drake rolled up a large score on Simpson, winning by identically the same score as Missouri defeated Missouri Wesleyan. Washington made 21 points on Holla, and St. Louis University counted 12 against the Rose Polytechnic Institute. Nebraska defeated Washburn by a small score.

**BOODLER BROWN'S TEAM WINS, 45 TO 0**  
Boodler Brown's famous football team defeated the Mexico Glaxs yesterday afternoon at the Fairground park by a score of 45 to 0.

The Mexico team was outclassed and at no time did it threaten to score. The kicking of Boodler and the gains by Tibby furnished many thrills to the crowd. The Columbia team plays Chicago the Sunday after Thanksgiving.

**MOOSE RUN WILD IN CANADA**  
Automobile Owner Bumps One While Driving Through Forest.  
By United Press.  
FREDERICTON, N. B., Sept. 29.—Moose are so thick in the New Brunswick woods this fall they are impeding automobile traffic. John Traynor, who, with his wife traveled the highway that leads through the forest north of the Canadian National Railway, reports that he was stopped several times by moose and collided with one.

"We were traveling after dark with headlights going," said Traynor. "The brilliant shaft of light seemed to intrigue the moose. In a run of a few miles, four came crashing out of the thickets beside the road and plunged into the light. They turned squarely in the road and started in a dazed way at the headlights and we had to stop and wait until they were gone before we could go on."

**PETEE, LISTEN HARD!**

When it's your good luck to butt into Buffalo, go to that store on Ellicott Square where the dark haired clerk slips out Camels with both hands—plus a tank of talk on the side!

The thing that tickled me most was his sureness that I was after Camels! As soon as I had my coin on the counter and before I could say a word, he flashed me a package of Camels! When I asked him how he knew I wanted Camels, he took a pull on his laugh stock and soaked me with this:—"Can't tell you, old mayonnaise—I'm dressing!"

After he had waited on several other men who drew their Camels like I did, this salesman said:—"For a fact, most men here smoke Camels. They hit the popular taste! Camels have the right body and the right mildness and the right flavor! They're ALL right!"

And, Pete—he added this without a stutter: The more I see of the world and the more I learn about cigarettes, the more respect I have for Camels and Camels quality! I don't believe a better cigarette could be made at any price!" And Pete—oh, Pete—listen to this gem:—"And it's an odds on bet I'm a good judge. I've tried 'em all—and my taste is the jury box!"

If that isn't a swell line of Camel talk, I'll sell my shoes! But, Peter, that salesman is right! It's my belief that no cigarette in the world can be favorably compared with Camels—they're so smooth and mellow and delightful!

I'm herewith slipping between the sheets, old book. So, you tell 'em the rest—you're so full of knowledge!

Sincerely
